MEMORANDUM FOR AFRICOM FAMILIES FORWARD (AFF) PROGRAM

SUBJECT: *Criteria for AFF Program*

Please follow the below guidelines when determining to which incoming families the AFRICOM Families Forward (AFF) Program is offered:

1. First or second time to the Continent (Africa)?

This program is currently geared towards those families going to the African Continent for the first or second time in order to provide them the opportunity to liaise with spouses who have lived on the Continent (Africa) previously; obtain/share knowledge with these spouses; establish a network of support with these spouses; learn of support options here at HQ.

This program is currently geared towards those families without extensive military experience on the Continent (Africa); to those spouses without pre-established networks of support for life overseas; for those spouses without the experience of establishing networks of support in foreign and non-military environments.
